Team Placement is determined in the following ways: 1) the team's record from the most recent team history during the past 12 months; 2) the average of the top players on the team. **If this is a returning team, players identified as returning team members will be valued with the level/flight earned by that team in the past 12 months.** All other team members will be valued based on ALTA league history in the past 12 months according to the search order outlined for each league; 3) the number of teams submitted in a level.
