Any player 18 years of age may play in the Adult Leagues and participate in the Junior Challenge Ladder but may not return to the Junior League.

D. Each team must guarantee use of at least 2 courts of the same surface/type at the same address or 2 courts of the same surface/type, not at the same address, within 700 feet of each other (with the approval of the Rules Committee) as home courts in the five-county metro area (Clayton, Cobb, Dekalb, Gwinnett and Fulton Counties) or at an approved annexed facility. Any court surface, outdoor or indoor, is acceptable. Scheduling cannot accommodate any more than 2 teams per multiple of 2 courts. Example: 2 courts available, 1 or 2 teams permitted; 4 courts available, 3 or 4 team permitted; 6 courts available, 5 or 6 teams permitted.

E. Any required court fee and/or guest fee must be paid by the **home team**.

F. Rosters must be submitted via the [ALTA Website](http://www.altatennis.org) according to the instructions, dates and times given in the roster packet for the Junior League. Each roster must be submitted with a minimum of 8 players, a team manager and co-manager. There is no maximum limit of additional players, but two or more are recommended. A person may manage only one girls' team and one boys' team per season.

- G. A maximum of six players may be added after the Manager's meeting until midnight of the day before the match is played. All additions to the roster must be paid, of an appropriate age, with placement at a level consistent with the player's ability using the past seasons' player history. In order to be eligible for play, the player must be added before midnight of the day before the match is played.
- H. Any person not listed on a roster in accordance with these General Rules shall be an ineligible player. Any changes made to a team roster will be made at the discretion of the League Vice President.
- I. All players must play in two matches during the season to be eligible for the Play-offs. A win by default or forfeit counts as a time played and all player movement rules apply.

II. FLIGHT PLACEMENT

Final determination of flight placement will be made by the League Vice President and overall coordinators. Team movement from one flight to another shall be based on the previous seasons' play, as well as on the addition of new players and the loss of old players. The goal is to match teams with comparable abilities within the leagues.

III. TEAM MANAGERS

- A. Each team must have a team manager or acting team manager present at the beginning of every dual meet. Team managers or acting team managers must exchange line-ups for all positions simultaneously before the start of the dual meet. Scores of each match must be recorded and team managers or acting team managers must sign the scorecards. Then, scores of each match must be entered and reviewed on the ALTA website immediately after the dual meet.
- B. Team managers shall agree upon the order of play. In case of conflict, the default order of play is 1Singles and 1Doubles followed by 2Singles and 2Doubles.
- C. Teams must determine line-ups according to strength of players in order to make fair and competitive play for all. "Sandbagging", **scheduling stronger players below weaker ones**, is prohibited. #1Singles player must be stronger than #2Singles player, #1Doubles pair must be stronger than #2Doubles pair.
 Note: Players may play both singles and doubles during a season. However, line-ups must be in accordance with the above rule.

 Player's win/loss record should be used to determine position. Any team not complying with these rules shall forfeit all individual matches concerned. Any questions or problems should be discussed with your individual coordinator **before beginning play**.

IV. DUAL MEETS

- A. All scheduled meets must be played by Saturday starting at 1:30pm for the girls, or upon completion of ALTA Men's League matches, and by Saturday at 3:30pm for the boys, or upon completion of ALTA Girls' League matches. The second rounds will begin at 2:30pm for girls and 4:30pm for boys. Matches may be played earlier than the scheduled date with coordinator notification by both teams.
- B. Dual meets will consist of 2 singles and 2 doubles matches.
- C. All matches will be 8-game pro sets for the 10's, 12's and 15's. A match is won when one team wins eight games by a margin of at least two games. If the score reaches 7-all, two games are played. If the score reaches 8-all, a 7-point tie-break is played and the win is scored 9-8.
 1. The 18U Girls and 18U Boys will play 2 sets. The 7-point tiebreak will be in effect anytime the score reaches 6-all in any set. In the case of split sets, a 10-point match tiebreak will be played to determine the match.
 The 10U Boys and 10U Girls will play on a 60' x 21' court for singles, 60' x 27' for doubles. It is recommended that players use a 23"-25" racket.

- D. Home team managers must contact visiting team managers at least 4 days before the dual meet in order to discuss location, directions, and order of matches. As a courtesy, the home team manager should inform the visiting team manager whether the dual meet will be played on hard or soft courts, indoor or outdoor courts.
- E. ALTA will not provide linesmen or umpires for matches.
- F. ALTA rules govern play. In cases not specifically covered by these rules, USTA rules govern play. Also, "The Code" as a handbook of ethics and fair play should be understood and followed by every ALTA player. "Junior League Rules" and "The Code" should be available for consultation at all dual meets.
- G. A player who is not listed on the original scorecard may participate in a match that has not begun. Players listed on a scorecard may be moved upward to fill a vacancy created by players absent or injured during warm-up. Once a player's name is removed from the scorecard, that player shall not be allowed to play in that dual meet.
- H. The 20-minute default rule, as defined in the Glossary under "Default", is in effect for all scheduled matches. A defaulted match is scored as 9 points for the opposing team. When a match is defaulted, it must be the lower single or doubles match, whichever is applicable. If the higher position of singles or doubles is defaulted after the respective lower position has been played, the team defaulting shall also lose the points earned at the lower position. Teams may not agree to schedule matches late.
 - I. **Ball Requirements:**
In the 10 and under age group, low compression orange balls are used. The home team manager of each team will provide two new sets of balls that will be reused during their home matches for the duration of the season.
In the 12 and under age group, Stage One (Green Dot) balls are used. The home team manager must provide two unopened cans of USTA-approved green dot balls for each dual meet or one unopened can of USTA-approved green-dot balls if 4 balls are packaged in one can. The can(s) will be opened for the first two matches and reused for subsequent matches of the dual meet.
In the 15 and under age group, the home team manager must provide two unopened cans of USTA-approved yellow balls for each dual meet. Both cans will be opened and used for the first two matches and reused for subsequent matches of the dual meet.
In the 18 and under age group, the home team manager must provide an unopened can of USTA-approved yellow balls for each individual match.
 In all cases, the home team will retain the used balls.
 - J. Warm-up is limited to 10 minutes including practice serves.
 - K. Coaching is illegal. Teammates, spectators or coaches may not volunteer advice on line calls, scoring or on the conduct of a match. The only exceptions to this are (1) to help with the 7-point tie-break (both team managers may explain the tie-break procedure once, and then leave the court) or (2) during the legal monitoring of a match in the 10 and under Group, details of which are furnished to the 10 and under team managers. It is the team manager's responsibility to control his/her spectators' conduct during match play.
 - L. If, for any unforeseen circumstance, the home team is unable to provide its home courts for any scheduled dual meet, the visiting team has the first option of providing its home courts. The host team is considered the home team. If the visiting team does not elect to provide its home courts, the responsibility reverts to the home team which must provide courts within the approved ALTA area at the scheduled time. If alternative courts cannot be found, the team managers must contact their coordinator.

V. PENALTIES AND FORFEITURES

- A. Upon agreement by the team managers at the dual meet, a player may be removed from the dual meet for unsportsmanlike conduct on the court. Removal from the dual meet will occur after one warning has been issued. The removed player will forfeit all points earned in the match. Any incidents of unsportsmanlike behavior must be reported to the division coordinator.
- B. In all dual meets in which an ineligible player participates, the offending team will be penalized by forfeiting all points from the point of the infraction down. For example, if it happens at 1S, any points at 2S will also be forfeited or if it happens at 1D, any points at 2D will also be forfeited. The singles and doubles matches are independent of each other.
- C. In those situations where no penalty is provided in the Junior League Rules, **THE LEAGUE VICE PRESIDENT SHALL HAVE THE AUTHORITY AND DISCRETION TO IMPOSE APPROPRIATE PENALTIES.**
- D. A team having excessive defaults shall have all its matches to date nullified and shall be treated as a bye for the remainder of the season. Excessive defaults shall be defined as defaulting all points of any given dual meet or averaging more than one default per dual meet.
- E. If a team has excessive defaults as defined in Rule V.D., the team and/or its members may be suspended for the next season. This penalty also applies to any team withdrawing after the roster deadline.
- F. If there are any conflicts that cannot be resolved by the team managers within the rules, the coordinator should be contacted. All official protests must be submitted to the League Vice President in writing with a copy to the ALTA office within 5 days of the scheduled match being protested.
- G. Any person playing under an assumed name or any person having knowledge of such an act, and failing to report said act to ALTA in a timely manner, will be suspended for up to one year.

VI. INCLEMENT WEATHER

- A. In the event of inclement weather, completed matches will stand as played. Incomplete matches must be resumed by the same players at the exact game and point as they stood when halted. Line-ups for matches not started may be changed provided they do not conflict with the player movement rules.
- B. If teams have assembled to play and the match is interrupted by inclement weather, including lightning, teams should be prepared to wait one hour to determine if the courts are playable. If the courts are still not playable after one hour has elapsed, teams are free to leave and reschedule unless both teams agree to wait longer.
- C. If a rained-out match is not scheduled within 8 consecutive days, it will be officially scheduled on the 9th day, Monday at **6:00pm** for the boys and girls. Failure to play on the rescheduled date will result in default of only the match or matches not played. When rained out matches are scheduled as a dual meet, normal default rules apply.
- D. Rain-outs occurring on Saturday of Week 6 of the regular season must be made up within **five** days for the girls' and boys' teams. If an earlier time cannot be agreed upon by both team managers, girls' and boys' matches will be officially scheduled for Thursday, at **6:00pm**. If it rains on Thursday, the default day, the match is made up on a day-to-day basis.
- E. Rain-outs occurring on Saturday of week 7 of the regular season must be made up within three days for the girls' and boys' teams. If an earlier time cannot be agreed upon by both team managers, girls' and boys' matches will be officially scheduled for Tuesday, at **6:00pm**. If it rains on Tuesday, the default day, the match is made up on a day-to-day basis.

- F. If the temperature is above 95 degrees or below 32 degrees (Fahrenheit) before the individual match is started, and both managers agree, the match may be played. All players scheduled to play an individual match must be present to postpone the match because of temperature. If an individual match is postponed because of temperature, the rain out rules apply to rescheduling.
- G. Once an individual match has started, it must be completed except in the case of inclement weather. There are no provisions for wind.

VII. SCORING

- A. The total number of games will be counted to determine the points awarded during a dual meet. A bonus point is awarded for each match won, except for a match won by a score of 9-7 or one in which a tie-break is played and the win is scored 9-8. Thus, the maximum number of points possible to earn in any dual meet is 36.

| | Team X | Team Y |
|-------------------------|-----------|-----------|
| 1 st Singles | 8* | 3 |
| 2 nd Singles | 9 | 7 |
| 1 st Doubles | 8 | 9 |
| 2 nd Doubles | <u>0</u> | <u>8*</u> |
| | 25 | 27 |
| Bonus Points * | <u>1*</u> | <u>1*</u> |
| Total Points | 26 | 28 |

- B. A total of all points won at the end of the season will determine the final standings of each division.
 - C. In cases within a flight where divisions have an unequal number of teams, each team's final standing will be determined by the percentage of matches won to total matches scheduled to be played.
- VIII. The Junior League Vice President has the responsibility for the administration of the Junior League. Situations not covered in these rules will be settled at the discretion of the Junior League Vice President.
