

Welcome to the [Summer Senior League](#). It's time to start working on your roster submission. This packet includes roster submission instructions, key deadline dates for the season and contact information for questions. If you are not planning on being captain this season, please forward this packet to the new captain now and review the process with them. This information should also ensure a smooth roster submission for a returning captain. Get started now – don't wait until the last minute!

**The [Summer Senior League Roster Deadline is Tuesday, April 11.](#)  
Rosters will be accepted on the ALTA website starting [Tuesday, March 21.](#)  
[2023 ALTA membership dues must be paid to be on a roster.](#)**

- **ONLY ADD PLAYERS WHO HAVE AGREED TO BE ON YOUR ROSTER.** Whether submitting a new roster or reinstating a roster from a previous season, do not list a player on your roster who has not agreed to be on your team! Each year there are disappointed members not able to be on their desired team because they were placed on a different roster without their agreement. Please, make sure all the players on your roster have agreed to play on your team.
- **PLAYERS CANNOT BE DELETED FROM YOUR ROSTER AFTER [Sunday, April 16.](#)** After the roster correction deadline on [Sunday, April 16](#), players cannot be removed from your roster as per the ALTA General Rules Adult League section I.G.4. Each season, a number of captains leave players on the roster assuming they can be deleted after the captain's meeting. This is not the case. Tell your players this. Players must decide ***to be on, or to be off*** a roster by the roster correction date.
- **DO NOT ASSUME YOU CAN ADD A PLAYER AFTER THE TEAMS HAVE BEEN LEVELED AND SCHEDULES RELEASED.** If your team was moved downward during the leveling process, a potential player may no longer be legal to be added to your team. You should make sure that all players are on your roster before the roster correction deadline of [Sunday, April 16](#) as per ALTA General Rules Adult League section I.G.5.
- **TEAM PLACEMENT IS ALWAYS THE SUBJECT OF MANY QUESTIONS.** Your submitted roster, which includes player and team history, will determine the preliminary placement/level of your team. However, ALTA's need to fill various levels/flights may also impact a team's final level. Please see the attached document, "LEAGUE INFORMATION FOR TEAM PLACEMENT" for further information on team leveling. If you believe you have a valid reason to be placed at a specific level, you have the option of submitting a "request for review" during the roster submission process.
- **LOOKING FOR PLAYERS?** At the Home Page use the "hamburger" menu (3 line icon at top right of the page) and click on: "Find Players and Teams" Choose the Players Looking for Teams and filter as desired.  
**EXAMINE YOUR ROSTER!** View your roster online prior to the roster correction deadline to ensure that all changes, additions or deletions have been saved! Print out a copy for your own records. **If a player's name is not listed, the player is not on your roster.**

Good luck, have fun and enjoy the season!
