Important Reminders

- **2026 membership dues must be paid** before a player can be placed on a roster. A player may only have one ALTA number. For username, password, or ALTA number questions, call 770-399-5788.
- **Only add players who have agreed to be on your roster.** Do not list anyone who hasn't confirmed. Each year, members miss out on their desired team because they were added without consent.
- **Players cannot be deleted after **January 26, 2026**,** unless it has been fewer than three calendar days since they were added and they have not appeared on a scorecard. The player must contact customer service to be removed. See ALTA General Rules Adult League, Section I.G.4.
- **Do not assume you can add players after leveling and scheduling.** If your team was moved down during leveling, a player you intended to add may no longer be eligible. Ensure all players are on the roster by **January 26, 2026** (Section I.G.5).
- **Team Placement** is based on your roster's player and team history. ALTA's need to fill levels/flights may also affect final placement. See the Team Placement section below for details. You may submit a 'Request for Review' during roster submission if you have special circumstances.
- **Looking for players?** From the Home Page, use the hamburger menu and select 'Find Players and Teams' > 'Players Looking for Teams,' then filter as needed.
- **Verify your roster online** before the correction deadline. Print a copy for your records. If a player's name is not listed, they are not on your roster.
- **Profile updates:** Encourage all players to update their ALTA profile with current phone and email. A confirmation email is sent when a player is added to the roster.

- Select **Requested Level Flight** and applicable rankings.
- **Request for Review:** Complete only if special circumstances affect your level/flight placement.

- **Remove players:** Click **Remove** to the left of the player's ALTA number, then **Save**.
- **Other changes:** Use the tabs to update Facility, Level/Flight, Rankings, or Designees.
- **Payment:** Players with unpaid memberships will trigger a payment screen. You may pay by credit card or remove and re-add them after they renew. Print the Roster Summary page for your records.

Paying Dues on the ALTA Website

- Follow prompts to the Payment Processing page. Enter credit card information and complete payment.
- Print the Confirmation page for your records.

Maximum 6 add-ons per roster. In order for a player to be eligible to play in a regularly scheduled dual meet, the player may be added up until the scheduled start time of the dual meet. (See Rule I.6)

League Information for Team Placement

To estimate your team's placement, find the average of your top players' level values from the chart below, then round the result to find the corresponding level.

AA Levels	A Levels	B Levels	C Levels
AA1 = 1	A1 = 5	B1 = 14	C1 = 23
AA2 = 2	A2 = 6	B2 = 15	C2 = 24
AA3 = 3	A3 = 7	B3 = 16	C3 = 25
AA4 = 4	A4 = 8	B4 = 17	C4 = 26
	A5 = 9	B5 = 18	C5 = 27
	A6 = 10	B6 = 19	C6 = 28
	A7 = 11	B7 = 20	C7 = 29
	A8 = 12	B8 = 21	C8 = 30
	A9 = 13	B9 = 22	

Placement is determined by: (1) the team's record from the most recent 12-month history; (2) the average of the top players — returning team members are valued at the level/flight the team earned in the past 12 months; all others are valued by ALTA league history in the past 12 months; (3) the number of teams submitted at each level.

Search Sequence by League
