

The ALTA Foundation Announces 2026 L. Keith Wood Scholarship Winners

To qualify for this prestigious award, candidates must have engaged in either the ALTA Junior League or the Junior AA program, participated in the Junior Challenge Ladder, or been involved in the Foundation's *START* program. They had to have shown a dedication to community and volunteer service, along with being able to display how tennis has assisted with their growth, both on and off the court.

Each recipient will be honored during the ALTA Junior City Finals at Harrison Tennis Center on May 2.

We extend our heartfelt congratulations to our deserving winners!
